Working with United Way, a national network of more than 1,300 locally governed organizations, **Company** is creating lasting changes in the communities where our employees [and customers] live and work. United Way engages the community to identify the underlying causes of the most significant local issues, develops strategies, pulls together financial and human resources to address them, and measures the results.

Local impact

Although priorities for United Way action are set locally, common themes include:

- Helping children and youth achieve their potential
- Promoting financial stability and independence
- Improving people's health

Results Matter

With support from community partners like **Company**, 61 million individuals and families receive help through United Way and its community partners each year. Including:

- 2,051,907 children enriched with high quality child care
- 3,412,148 people connected to critical health and human services through 2-1-1
- 362,137 people equipped with essential job training
- 988,339 people supplied with temporary or permanent shelter
- 82,564 people connected to affordable housing
- 1,936,780 people provided with access to health care

[Custom Area]

Highlight your company's relationship with United Way and specific areas of success, such as commitment to volunteerism (number of employee volunteer hours), etc.
